

# Svenska Akustiska Sällskapet

**The NAA Nordic Acoustic Association invites you to participate in the Baltic-Nordic Acoustic Meeting (BNAM 2026), 4–6 May 2026 in Gothenburg, Sweden.**

BNAM has a history since the start in 1954 and is a biannual event, touring around the Baltic and Nordic countries. BNAM 2026 will be held at Chalmers University of Technology in Gothenburg, Sweden 4-6 of May 2026 and will cover all types of acoustics and vibration topics. All the Acoustics Societies from the whole Baltic Nordic region are working together for arranging and hosting the Baltic Nordic Acoustic Meeting. We have a strong organization and technical committee of about 20 internationally experts within the topics of the conference along with a number of well-known session chairs and co-chairs.

SAS the Swedish Acoustic Society expect to host ~ 250 participants and there will be a reception, a banquet dinner. The event also offers an exhibition area. Our webpage is now up and running: [www.BNAM2026.org](http://www.BNAM2026.org)

**31 Sponsors/Exhibitors has now reserved spaces: Everything is sold out.**

*Due to the large interest in Sponsor & Exhibiting at BNAM 2026, we are now working hard for finding more exhibition space. Alternatively this way ahead of the conference things could happen - meaning there could be companies who has reserved space but want to pull out. Our PCO Meetx will therefore start contacting all companies who has reserved spaces to make final commitment.*

- **Therefore starting today: we have started a BNAM 2026 exhibitor waiting list.**

*Please send an E-mail to me with company name and contact details and I will confirm that you are on the BNAM 2026 waiting list. I expect we will have more knowledge about possible spaces by mid-October 2025 and/or if we can add more Sponsors & Exhibition space and I will get back to you.*

**Wellcome: Apply to Torbjörn Kloow ([toby@nitk.se](mailto:toby@nitk.se)), SAS Treasurer**
