

Svenska Akustiska Sällskapet

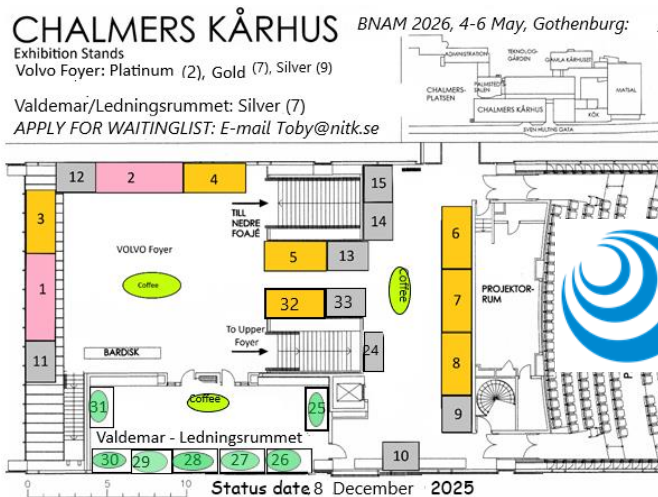

The NAA Nordic Acoustic Association invites you to participate in the **Baltic-Nordic Acoustic Meeting (BNAM 2026), 4–6 May 2026 in Gothenburg, Sweden.**

BNAM 2026 will cover all types of acoustics and vibration topics. All the Acoustics Societies from the Baltic Nordic region are working together for arranging and hosting the BNAM 2026. Of course the event also offers an Exhibition area and all spaces are now sold out. For more info check webpage: www.BNAM2026.org

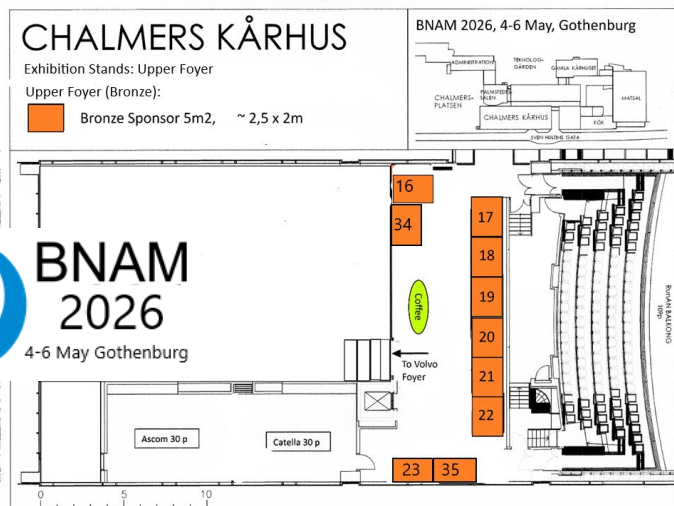

- Waiting list implemented
- Update December 2025: Two new Exhibition & Sponsor spaces added
- Update January 2026.....: Two new Exhibition & Sponsor spaces added

35 Sponsors/Exhibitors has now confirmed spaces

Volvo Foyer – Valdemar – Ledningsrummet: Sold Out

Upper Foyer: Sold Out

Due to the large interest in Sponsor & Exhibiting at BNAM 2026, we are now working hard for finding more exhibition space. Alternatively, still a bit ahead of the conference things could happen - meaning there could be companies who has reserved space but want to pull out.

- For Volvo & UpperFoyer: **we have a BNAM 2026 exhibitor & sponsor waiting list.**

Please send an E-mail to me with company name and contact details and I will confirm that you are on the BNAM 2026 waiting list. I expect we will have more knowledge about possible spaces by end of February and if we can supply a Sponsors & Exhibition space, I will get back to you.
